

Approved Input Certificate

USDA National Organic Program

PhoSul LLC

250 Pro Peat Drive, Sugar City, ID 83448

Reg # 20-1687

Pro-Cert Organic Systems Ltd. (Pro-Cert) hereby confirms that the input(s) listed below, and in the attached Approved Input Summary, may be used in the production and/or processing of organic products in compliance with the requirements of the **USDA National Organic Program**. This confirms that the input(s) so listed are produced in compliance with respect to the annotations regarding the production of the input(s). Note that this approval does not waive the requirement for operators to comply with any restrictions on use as required by the regulation and annotations for input use listed therein. Operators wishing to include approved input(s) in their organic production plan should consult with their certification body and obtain approval for use prior to any application of the input.

Inputs Approved for Organic Use:

See the attached detailed Approved Input Summary

Approval Based on: Document Review On-Site Verification

Effective Period of Approval: September 21, 2023 to September 20, 2024

Initial Date of Approval: September 21, 2020

Date of Issue: September 25, 2023

This approval remains in effect as indicated above unless surrendered by the holder or until suspended or cancelled by Pro-Cert Organic Systems Ltd. The extension of the approval requires an annual update of the input production plan, and on-site verification (where required) and annual evaluation by Pro-Cert.

Doc # PC 11.7.2 NOP AIC; Version 5; Effective 03/03/2020
